

Hi Brian!!

Thank you so much for everything yesterday. The past few months have been so difficult for Hart. Sometimes the reality of him being sick forever with no cure is just too much for him (and us if I'm being honest). Anyway we just wanted to send you a message and thank you so much. It was a wonderful day and a great distraction for all three of our kids. Hart still can't believe that he got to ride with you in his car!

He's still thinking about what to do for his wish. He says it's such a hard decision to make. When Cassie is back we will try to link up with her- someone had emailed us about it again and I can't for the life of me find the email for some reason.

Thank you again. Hope you have a good week! Here's a cute photo we got of you and Hart!

Take care,
Ash and Dan
